

Photography Policy

At times it may be beneficial and appropriate for Unique Support for Unique People (US4UP) to take photographs/ videos of a child they support.

These would be used for educational purposes as they can be a good way to track progress and achievements and is evidence of learning towards AQA outcomes to gain certificates for children's dedication and to acknowledge their hard work.

US4UP will not use images or videos of children on social media platforms or on US4UP's website. The images will be deleted after the intended use and can be shared with parents upon request. We will not make children feel uncomfortable if they do not wish to have their photograph/ video taken, this will be respected.

The safety of the children US4UP support is paramount. We will ensure that children are appropriately dressed before taking a photo/ video. Photos will be uploaded onto a password protected laptop that only US4UP has access too and will be deleted when provision ends.

- I consent to photographs/ videos of my child being taken by Unique Support for Unique People.
- I do not consent to photographs/ videos of my child being taken by Unique Support for Unique People.
